

Enfield Council have been awarded funding from the National Lottery Heritage Fund to deliver the programme **Stories of Enfield** between 2020 and 2022.

Through this programme Enfield Council will support local people and communities from across the borough in developing and delivering heritage activities, from exhibitions and festivals to theatre performances, films and cookery classes.

To achieve this, Enfield Council is funding a broad range of exciting and creative projects on the borough's heritage, from stories of diaspora communities and cultures through to sports, food, dance and historic buildings. The wider ambition of the programme is to enable residents to get involved in heritage, to show how heritage can make a real difference to people's lives and build a positive sense of place.

By supporting and sharing stories of the borough's local community and engaging people with heritage, Enfield will become an even better place to live, work in and visit.
